

News release**Flybe Announces New Senior Leadership Team as it Prepares for Take-off**

Flybe Ltd has announced the appointment of its new senior leadership team composed of several highly experienced executives from the UK and international airline industry. The new team of senior leaders will assist CEO Dave Pflieger and the rest of the carrier's team with the launch and growth of one of the UK's newest airlines as it prepares to take to the skies this Spring.

Members of Flybe's new team are:

Philip Saunders, Chief Commercial Officer.

Philip has held senior leadership roles in commercial, sales, marketing, and distribution at seven other airlines in the UK and around the world including British Airways, Deutsche BA, SN Brussels Airlines, Caribbean Airlines, Air Malta, Kuwait Airways, and South African Airways. In addition to leading highly successful commercial transformations at these various national airlines, Philip was also a senior executive at Travelport in the travel technology industry.

John Jackson, Chief Operations and Customer Service Officer.

John will be responsible for delivering operational excellence and world-class customer service across the airline by leading Flybe's Airports, Flight Operations, Cabin Crew, People, and IT teams. John brings with him over 30 years' of industry experience having held previous senior roles with Continental, United Airlines, dnata, and Ravn Air Group in Alaska.

Ron Karger, Chief Technical Officer.

Ron has over 32 years' experience in aviation maintenance and technical operations with previous roles including senior leadership positions at Air Canada Jazz, WestJet, WestJet Encore, and Pacific Coastal Airlines. As the Director of Maintenance at Encore, Ron oversaw the airline's growth from start-up status to a fleet with forty-two Dash 8-400 aircraft.

Jim Comer, Director of Finance.

Jim is a chartered management accountant with over 20 years' experience in the aviation industry. Involved with the previous Flybe Ltd. since 2001, Jim has held roles in Treasury, FP&A, and Finance Business partnering, and he also played an important role in several pivotal projects including the acquisition and integration of BA Connect in 2007, the successful listing of Flybe on the London Stock Exchange in 2010, and the successful sale of Flybe's business and assets in April 2021 to Cyrus Capital Partners L.P.

CEO, Dave Pflieger, said of the new additions: "We are extremely excited to have such accomplished industry leaders joining Flybe's management team. Each one brings a wealth of professional experience and knowledge that will prove invaluable as we look to not only launch the new Flybe, but also create a strong community focused airline that people love."

FINAL

About Flybe Ltd

Established in April 2021, Flybe Ltd is one of the UK'S newest airlines, and it intends to operate throughout the UK and EU with operations scheduled to begin in the Spring of 2022. Flybe is expected to play a crucial role in creating valuable jobs, connecting communities, and helping restart local economies across the UK and Europe after it launches and grows its fleet of fast, quiet, and CO2 efficient dash 8-400 planes to a planned size of 34 aircraft.
